

Scottish Shale Oil Industry Timeline

This resource can be used in many different ways. Here are some ideas:

- Use worksheets supplied in separate pages.
- Create your own timeline within your classroom.
- Mix up the different events and try to sort them out (with or without dates).
- Add this timeline to other Scottish timelines.
- Create a poster that shows the key timeline events.
- Choose a specific event and expand on it - may need to use books or the internet to gather further information.
- Create their own questions for other students based on the information in the timeline.
- Use dictionaries and thesaurus to find the meaning of tricky words and suggest alternatives.
- Create a poster to try to save the failing Shale Oil Industry.
- Plot the timeline on a linear timeline.
